

American Folding Door

American Folding Door is the Distributor of Woodfold, Steelfold, Hufcor and AeroShade Wovenwood Doors and AFD Basswood Shades.

Your doors, partitions and shades are custom manufactured in the USA to your exact specifications with the best materials available. Your doors, partitions and shades are very durable and will last a long time. They are a great investment.

All accordion doors come with a top track only. They are easy to install – see illustrations below.

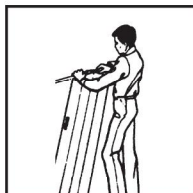

Instruction sheets for installation as well as hardware and screws are included with your doors and shades

Step 1

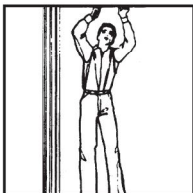

Fit track into doorway.
Make holes for screws.
No Framing!

Step 2

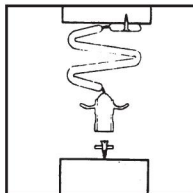

Insert door into track.
Raise door into position
No Mess!

Step 3

Install screws to hold track.
No Painting!

Step 4

Fasten door to metal jamb.
Install metal striker plate.

**Shade installation is just as easy!
It's That Simple!!**

American Folding Door

How to measure for your custom manufactured door!
